## Description of the hotel

Benefit from the advantages of Nuremberg without giving up the amenities of the picturesque surrounding countryside. The DORMERO Schlosshotel Reichenschwand in Hersbruck Switzerland blends tradition and modernity, nature and design into a harmonious whole. The large castle park offers enough playground to provide the creative basis for your ideas- whether romantic wedding celebrations, extended hikes or days in the green countryside. The nostalgic tower suites rise like cultural landmarks over the castle grounds in Reichenschwand in the Nuremberg metropolitan region. On the two large terraces, overlooking the Pegnitz River or the church square, you can leave the hustle and bustle of the city behind, sit back in quiet alcoves and watch the world go by.
